Executive Director's Report

Hawaii Pacific Baptist Convention Annual Meeting

November 2017

Aloha –

Much has happened since our last HPBC Annual Meeting. God blessed us with an incredible time of celebration in Kona. When I outlined some of the changes to the HPBC structure last year, we considered 2017 to be a year of change. We seem to be on target, and beyond.

Our HPBC President John Endriss has continued to call together leaders across the HPBC to dialogue about needed changes and vision. These sessions have produced input that is guiding the process of change that we review today. Pray for the future meetings happening in 2018 as we continue to seek God's will for our churches. Here are a few points of note for you:

1. The HPBC Staff Team Changes

Your HPBC staff team has undergone several changes since our annual meeting in Kona. We have celebrated the retirements of Clyde Kakiuchi (June 30, 2017, as Director of Church Health, DCH) and of Jerry Sullivan (July 31, 2017, as Director of Church Finance, DCF) and will recognize their many years of service at our HPBC Annual Meeting in November. We also are transitioning with the departure of Michael 'Bong' Abagon (July 31, 2017, as Director of Church Outreach, DCO) and we pray for God's blessings in his new areas of ministry.

These vacancies are unstaffed, except for the addition of Mike Martin (Director of Church Finance) and will remain unstaffed for now. We are restructuring the positions of DCH and DCO to provide stronger support for our churches. The times are calling for generalists, or utility players, to meet the varied needs of our HPBC churches in the midst of reducing our staff team numbers.

According to Wikipedia, "In sport, a utility player is one who can play several positions competently, a sort of jack of all trades." To fulfill this challenge, your HPBC Executive Board has approved a new HPBC staff position, an Assistant Executive Director. This new team member can assist churches and leaders in many ways that seemed restricted in previous staff teams, largely due to the reduction of particularly skilled positions. Versatility and teachability will be the keys to success for these team members – flexible to address the demands of our churches with a constant ability to remain current on trends, resources, and strategic development, yet remain grounded in the integrity of God's Word.

Please continue to pray for God's guidance and blessings as we move ahead in the new directions of your HPBC staff team.

2. The HPBC Financial System

The addition of Mike Martin has been a tremendous support to our team and our churches. His experience and training in finance, business and education is an excellent resource opportunity for the challenging needs of churches and non-profits of today. He is continuing to reframe our financial systems to provide greater accountability and clarity in our bookkeeping and reporting. Current electronic banking methods are being assessed and implemented to facilitate the receiving and the expensing of funds securely. We look to reveal a new financial system for you before January 2018.

We are also responding to the decline in Cooperative Program giving and the findings of an Executive Board-formed Cooperative Program team, serving to research our situation. Our budget has been realigned to actual income and expense amounts that we may better serve the churches. Our plan is evaluating every category for accuracy in its intended use. In paraphrasing Pastor Steve Gray, our goal is to move closer to the needs of the churches.

We anticipate an increased ease in your understanding of necessary financial reports and documents in the future. We desire to keep you properly informed of every element of the HPBC business and finance department. Please continue to provide us your feedback as we transition.

3. Restructuring the HPBC/Associational Relationship.

After meeting with your HPBC Executive Board officers in early 2017 to discuss a possible realignment of the HPBC and our seven associations, I met with OBN Facilitator, Robert Miller on April 25th. As we talked about this idea, Robert asked to speak with his OBN leadership team to find their impression. After following up with his team, ideas began to form, and more meetings were scheduled.

The discussions have progressed to the point that a vote to merge was presented and approved with an 89% vote at the OBN annual meeting in October. President Endriss scheduled three dialogue sessions on Oahu, one on Maui and two on the Big Island to share these thoughts with them. Currently, we have also engaged preliminary discussions with Garden Isle Baptist Association, Baptist Association of Micronesia, South Pacific Baptist Association and the Asia Baptist Network. The planning of future dialogue and planning sessions with the associations will take place soon. We are seeking a joint effort in this restructuring, by listening and responding to the needs of local churches in their regional work. This plan will not be completed until we are unified in the best strategy for each association.

Realigning the work our associations with the HPBC will increase our abilities of strategically coordinating regional Kingdom work that will result in a stronger partnership among HPBC churches. At the moment, the benefits seem to outweigh the challenges, but we will allow God to guide our direction as we work together to develop the best Kingdom plan for the HPBC.

4. An Extension Campus of SWBTS

In August, Pastor Alan Krober, Brian Smart and I met for several discussions with Dr. Paige Patterson and the administrative staff of Southwestern Baptist Theological Seminary to plan for a Hawaii Extension

Campus of SWBTS. In an agreement between the six SBC seminary presidents years ago, the HPBC was assigned as a region under the responsibility of Southwestern. Dr. and Mrs. Patterson expressed their long-time hope of resourcing Hawaii and the Pacific with direct theological training so our students would not have to leave our convention for the mainland to study.

That dream is becoming a reality as Southwestern has committed to support a campus in Hawaii that will reach the Pacific with undergraduate, graduate and doctoral degrees. On the mainland, champion churches are being enlisted by SWBTS to provide technology upgrades in strategic locations across our convention for our churches to be equipped to hold classes. Every region of the HPBC will have full access to theological training through this partnership.

This incredible move of God will allow us the privilege of equipping our local men and women in an authentic seminary experience and improving the quality of assisting our churches. The entire Pacific could be impacted by this partnership with many students from Pacific and Asian nations being able to access their studies from Hawaii instead of relocating to the mainland. The potential is excellent – the time is now!

We could be prepared for students as early as the Fall 2018 semester, with enrollment beginning this January. SWBTS has initiated the process of developing a master plan for curriculum, staffing needs and more. I will keep you updated as this continues to progress. Their representative, Dr. Deron Biles is with us at our annual meeting, so please express your appreciation for their involvement in God's work throughout the Pacific.

5. Partnerships and Relationships

As I have mentioned the exciting news of the SWBTS partnership, we have a couple of other relationships at work. Our on-going connections with the Southern Baptist Conservatives of Virginia (SBCV) and the Southern Baptist of Texas Convention are still growing. These fellow state conventions are providing us with incredible ministry support in many areas, such as technical assistance, digital media, conferencing and training. SBTC representatives, Barry Calhoun and Kenneth Priest will be with us at our annual meeting, so please express your appreciation for their involvement in God's work throughout the Pacific.

Also, at our annual meeting, look for a pastor that has encouraged his church to pray for us and assist our cooperative ministries throughout our entire convention of churches – His name is Steve Davidson and his church, First Baptist Church of Sellersburg, IN has been praying through the list of our churches this year. This small town church has adopted us, providing supplies for seafarers, and sending letters and cards to churches for encouragement. Please make Steve and his wife, Debbie, feel welcome as they will join us at our annual meeting.

6. 75th Annual Meeting of the HPBC

Our 75th Annual Meeting of the HPBC is scheduled for November 9 & 10, 2017 at the high school campus of HBA. The entire week is filled with plans for churches to participate and be equipped for ministry,

strengthening each of us for the days of ministry ahead. Monday, November 5th will hold our New Worker's Orientation for those that are new to our islands, serving in full-time church staff positions.

Prepare to be inspired and ready for missions on November 6th & 7th as the IMB will share Missions College – a two-day training seminar with East Asia and Southeast Asia IMB personnel. Topics like researching, purposeful planning, students on missions and more will be addressed. Please encourage your churches to attend!

Our special guest speakers, HBA students and faculty, and our fellow HPBC messengers and guests will uplift us during these days of celebration and worship. Include this week of ministry and missions on your calendar – you do not want to miss it!

Your HPBC staff team is continuing to engage our churches to equip, empower and encourage them to a close pursuit of God's plans. Mahalo for your dedication and commitment to the ministry of our HPBC Executive Board. Your sacrificial prayers and support for our meetings and convention work are critical to the success of our cooperative ministry. Your HPBC staff team stands ready to serve you, so please contact us if you have needs or questions.

Aloha in Christ,

Chris

Church Outreach

Executive Board Report

By Michael “Bong” Abagon

Resourcing, training and supporting are the main roles of the Church Outreach. We encourage churches to employ significant steps that will win the community for Jesus. 2016 ACP indicates 673 baptisms. This is an encouraging increase. Let's continue to pray that those won for Jesus will be disciple continuously. A few things I have encouraged churches ON:

1. Train. Train. Train. Christians need to get used to speaking and sharing the gospel. I encouraged churches to have a “practice time” and rack those hours of on-job-training. Witnessing becomes second nature when Christians are able to articulate what they rehearsed.
2. Be strategic with your evangelistic efforts. Do not just do an outreach for the sake of outreach, do it with intentionality and plan. What happens after an event?
3. Follow up. An average of 15 guests will visit one's church in the whole year. What to do with those prospects is the battlefield in the ministry. Plan it. I have been encouraging churches to find partners who can help them follow up.
4. Seek help. You don't have to do it alone. The beauty of church evangelism is that it never has to be done alone. It can be done with other church partners. Funding resource from HPBC Evangelism is available to help.

I want to thank Chris Martin, Executive Director and the Executive Board for trusting me to do the work of the Director of Evangelism for years. These years have taught me many things and I would like to share them with you with the hope that it can help congregations in the years to come.

1. God still is in the soul-saving business and He will never be out of it until the end of the ages.
2. He calls the church to be His witnessing agent and to make disciples of all nations.
3. Let's continue to inspire pastors, leaders and churches in the call to evangelize.
4. Let's equip congregations in personal, church and community evangelism. Continue to discover effective ways of reaching people.
5. Let's help churches find way to assimilate prospects.
6. Let's coach congregations to disciple with disciple-making in mind.
7. I hope we recognize and utilize NAMB's evangelism funding. It is crucial to this task, use every dollar of it to see all these points happen.

Mike Martin, Director of Church Finance

Aloha! It is a pleasure to serve both our board and our churches. Here are some highlights from the past several months as I have taken over from Jerry Sullivan, Director of Church Finance

Annual Financial Audit: Since July, HPBC has been working with CW & Associates in conducting our annual financial audit for the 2016 fiscal year. As the audit is nearing completion, early indications show positive feedback associated with the reporting of the finances and the financial controls that are implemented.

Modernizing Accounting Systems and Controls: As with each organization, HPBC is undergoing transitions in structure and financial reporting. After evaluating our current software and accounting processes, we are moving forward to integrate new systems that will start January 1, 2018. One of the improvements will be using financial software that streamlines accounting procedures. This will also integrate Pu'u Kahea (as noted by previous discussions) with HPBC in maintaining up-to-date financial records.

Cost Center Reporting: As a result of feedback from the auditors and maintaining sound financial accounting principles for HPBC, revenue and expenses will be identified on a timelier basis. As we continue to evaluate the overall reporting, we want to give our leadership better tools to make decisions. An example of this change is to identifying Pu'u Kahea's registration fees when an organization uses the camp, not when the payment is received. The security deposits we receive for 2018 (those who have to place a security deposit on the use of the camp by our policies) will be recorded as revenue in 2018, even though we received the security deposit in 2017. This will give a more accurate picture on the financial condition of HPBC.

2018 Budget: In preparing the 2018 budget, a better picture on the financial condition of HPBC was evaluated. As we move forward, we are working on more analysis of our stewardship. This includes in areas of CP giving, other revenue streams (rental income, fees), external funding sources (NAMB, Lifeway) and Pu'u Kahea.

Goals for 2018: As we continue to work together in this transitional time, the goal is to provide the best financial information about HPBC and the use of its resources for kingdom work. This includes but is not limited to: conducting a physical inventory of HPBC assets, evaluation of designated and restricted accounts, shared resources costs, and provide more tools for improved giving to our mission goals as an organization. In addition, we will be partnering with others in providing practical resources in maintaining day-to-day operations of churches. Practical business and accounting training is another goal we are setting forth in working with churches.

Topics Working With Churches: In transitioning to the position, it is a great pleasure to work with our churches, pastors, and those who are working alongside in the stewardship of the church's finances. Many topics have been discussed already in working with churches. Common concerns discussed dealt with compensation of a pastor, tax laws associated with the uniqueness of a minister, FICA vs. SECA payments, and what is required by churches in reporting to different entities (i.e.- payroll related items). In addition, discussion about the different benefits associated with the HPBC have been requested.

It has been a great joy to get to know the many servants we have throughout our convention. Moving forward we can see how God will use the synergy of all our resources to fulfill kingdom work.

Disaster Relief and Facility Management Report

HPBC Disaster Relief received our two SEND relief trailers and I am in the process of outfitting them to a recovery trailer and a combination shower/laundry trailer.

When they are ready, churches may use them for mission teams, men's ministry and Disaster Relief. We have a shower/laundry unit on Big Island that are outfitted. However, we need some rust repair and tags brought up to date for it to be operational. Brian Smart and the Big Island Association are working on this. Churches will need to go through training before they are allowed to use the trailers for ministry.

During hurricane season, the state encouraged all people to have 14 days of food, water and supplies in their preparedness kits.

Training this year for Disaster Relief:

January 7 - Waipio Community Baptist Church

March 4 - Waipio Community Baptist Church

June 10 - Operational Stress First Aid (OSFA) Chaplain Training at WCBC, Dr. Naomi Paget led this training.

I attended the DR Roundtable and 50th anniversary of Southern Baptist Disaster Relief (SBDR) in January and will continue on the Steering Committee for SBDR through January 2018.

SBDR has a new National Director; Sam Porter from Oklahoma DR took the office in September. Mickey Caison has retired and will be missed. Mickey has helped HPBC DR many times supporting us as needed. I am very thankful for Mickey's ministry. I am also looking forward to Sam who trained me in Oklahoma with Royal Ambassador Leadership and Disaster Relief Training.

Facility maintenance: Baptist Student Dorm- Repairs included plumbing, electrical, replacing old termite damage wood and repairing window sash on 10 windows upstairs.

Nehoa mission guest house - cleaned out garage, installed new AC in upstairs bedroom, and installed gutters on back lanai.

Convention Offices - replaced and installed new energy efficient windows in Church planting offices and server room. This completes window upgrades to the convention.

Painted several areas throughout the offices.

We had a mission couple earlier this year, Perry and Barbara Looney, come and work on the building. A team from LSU came and did some deep cleaning on the dorm and convention as well as some community work and Collegiate work.

Scott and Debbie Lesley came with a team and worked on the windows and lots of painting. The ladies also helped with VBS at one of our Chuukese churches, Anapouo Church Hawaii.

I am so grateful to these mission teams that come and serve with us.

I had the honor to preach at Makaha Valley Chapel and Waipahu Community Baptist Church this year.

Darrell McCain, Director of Disaster Relief Ministries and Facility Management.

Women's Ministry Annual Report

By Teresa McCain

I am so thankful for the opportunities and possibilities of serving women and children in Hawaii and the Pacific. Here's a summary of what has happened in the past year.

HPBC Woman to Woman Tea Party

Sixty women from 10 different Oahu churches joined us on Monday, January 16th for the Woman to Woman Tea Party. The focus of the tea was to encourage women to get to know each other and perhaps find a mentor in the group. There were many delicious tea delicacies and lots of good conversation taking place at the tables. Hamama Community Church brought 8 young girls to be a part of the tea. The ladies really enjoyed getting to meet other women from other churches.

HPBC WMU 2017 Annual Meeting and Missions Celebration

What an exciting annual meeting we had on Saturday, February 4! From listening to Laurita's Lottie Moon monologue to hearing from mission fields far and near, we really did learn about Mission "By All Means". Two hundred women and men from across the islands attended the one-day WMU Annual Meeting and Missions Celebration and learned about WMU's rich mission heritage. All of the break-out sessions were well attended and well received. Breakout session attendees got to hear from former IMB missionaries and student missionaries, learned what's happening in missions on our different islands, and gleaned wisdom from former and present WMU leaders. Our keynote speaker was Laurita Mullins Miller who delivered a powerful monologue as Lottie Moon. The audience was so captivated that when she finished, several women stood and shouted, "Hallelujah!" Many commented on how much they enjoyed learning more about Lottie Moon and why she was and is important to Southern Baptists.

Esther Shin, the multicultural consultant from WMU Virginia, led 28 Korean women in learning about WMU and missions. In fact, they continued their meeting for 2 additional hours after the Annual Meeting at one of our local Korean churches. Esther brought mission education materials written in Korean for the Korean women to use in their churches. Esther helped the women learn how they can bring mission education to their congregations.

2017 Pinewood Derby

This year's Pinewood Derby was held on Saturday, February 11th at the HPBC Chapel. Two churches, Olivet and UABC, participated in the race. All the children and their parents had the opportunity to listen and interact with student and full-time missionaries who had served around the world with the international mission board. Katelyn Holzer, Jess Reyes, and Jeremy Santiago shared with the children their mission experiences while serving in East Asia, Indonesian, and Benin. After the race, all participants shared a lunch and compared cars. There were many creative cars this year like a pineapple car, an ukulele car and cars with bling!

West Hawaii Missions Fest

A request was made to come to the west side of the Big Island to help them learn about missions and mission education. On Saturday, February 25, Gail Gierhart, Jamie and Liz McElrath, Brad Chow and I held the first Missions Fest at Waikoloa Baptist Church. Six of the seven churches were represented at the Missions Fest with a total of 75 in attendance. The benefits of using the resources offered by the Convention, understanding the Cooperative Program, discovering financial resources available at the Convention and through the Sue Nishikawa Offering, and learning about WMU and its many ministries were the topics shared at this meeting. After a potluck lunch, retired IMB missionaries Jamie and Lizzie McElrath and Brad Chow shared with the group their experiences as IMB missionaries. Gail and I shared about WMU and their many resources and we brought materials for them to have. It was a very successful WMU "road show" and there is interest in having

the same type of event in East Hawaii and on Maui. It certainly was exciting to get to share WMU with folks who have not ever been to a WMU Annual Meeting.

Olivet's WMU Tea for Annie Armstrong Easter Offering

I was able to attend the Olivet Tea on Monday, March 6th hosted by Shirley Taliaferro at the Shiraki House. Around 25 women attended the tea where they learned more about Annie Armstrong and her role in starting WMU.

Mission Adventure Camp

This year's Mission Adventure Camp took place at Pu'u Kahea on March 23-25. The theme was TREASURE where the campers learned that God's word is a treasure and Jesus is the best treasure! There were 67 total at the camp; 34 campers, 17 Jr. leaders, 11 adult sponsors and 5 staff. There were 8 churches represented.

Malachi McSherry, a North American Mission Board missionary serving now as youth leader and church intern at First Baptist Church of Wahiawa, served as the camp missionary. Malachi is from Bixby, Oklahoma and was one of my Mission Friends and one of Darrell's RAs. Malachi has been on mission trips to Peru, Mexico, Ecuador, Panama, and Hawaii. He spent the past three summers in Hawaii serving with Pawa'a Community Church. The campers truly connected with Malachi as he shared with them the treasure that Jesus has been in his life and the exciting mission adventures he's been on in the jungles of Peru, in the heat of Panama, and in the mountains of Ecuador, reaching out to people who have never heard about Jesus Christ.

I opened each main session with an object lesson tied to the theme of Treasure. We led the children to memorize Psalm 119:11 (Your word I have treasured in my heart that I may not sin against You.) The campers went on a treasure hunt, learned how to shoot bow and arrows, slingshot paintballs at a treasure map and played water games and continued to learn about God's Treasure along the way. Red C Pastor, Vince Tabudlo, and Lisa mentored and led our youth junior leaders who helped us with the activities at camp. There was one decision for baptism during the camp.

"I learned more about the ultimate treasure, Jesus," said Rian, one of the campers. Next year's camp will be held from March 22-24, 2018. We are contemplating starting the camp in the morning and adding an additional half day to the camp. We are also considering changing the ages from 1st through 6th grade to 2nd through 6th grade. This way, there will need to be one sponsor for every 5 children from a church.

VBS Training – Mililani Baptist Church

I had the privilege again to lead the Preschool breakout session at the HPBC VBS Training held on April 1st at Mililani. Several women from five churches attended and were able to do several make and take activities, including making slime and growing crystals. It's another great theme this year, "Galactic Starveyor" where children will meet the God of the universe. Quite a few different churches were represented at the training.

WMU Council Meeting

On April 8, the WMU Council began planning for the 2018 WMU Annual Meeting and Missions Celebration. The keynote speaker will be Sandy Wisdom-Martin, the new Executive Director of National WMU. Esther Shin will return to continue training with the Korean churches. The event will be held on Saturday, February 4, 2018, location still to be determined.

Wives In Ministry Retreat

The Wives in Ministry Retreat was held April 27-29 at Pu'u Kahea. Shauna Pilgreen, a church planter's wife and blog contributor at Flourish, was the guest speaker. Our own Meredith Palicte led the worship. The theme was Reflections: Do You Need a Makeover? Over 30 wives were able to attend. Some of the fun activities

included massage, a Pop-Up store, a movie and crafts. It was a great time of relaxation and rejuvenation in the Lord.

Maui County Baptist Association WMU Mothers' Celebration Lunch

I attended the MCBA WMU Mother's Celebration Luncheon in Wailuku. Women and men from all Maui county churches attended this luncheon celebrating mothers. The keynote speaker was Laurita Miller who spoke on "Just One of God's Servants".

WMU Annual Meeting – Phoenix, AZ

I attended the WMU Annual Meeting in Phoenix, Arizona from June 8-11. The theme for the event was Defining Moments where women and men shared defining moments in their lives and in WMU. Several women donned period-appropriate clothing and told the stories of the foremothers from our WMU past. In addition, we had the privilege to watch the Mully Movie, which was released for a 3-day event in theaters around the world on October 3-5. It was shown here in Hawaii on Oahu, Maui, and Big Island at various theaters. I highly recommend this documentary! We were privilege to meet Mully and his wife after the movie and believe that this documentary can have a life-changing impact on Christians who view it.

Southern Baptist Convention – Phoenix, AZ

Following the WMU Annual Meeting was the Southern Baptist Convention. It was good to hear the outstanding preaching and vision casting of our denomination. If you have not had the chance to hear David Platt's message at the IMB dinner, please check it out at <https://www.youtube.com/watch?v=WQ9kxFUGM7w>. It is powerful!

Beads, Bible and Worldcrafts

The Women's Ministry event, Beads, Bible and Worldcrafts was held at the HPBC Chapel on June 24. Women from 5 HPBC churches attended and enjoyed a time of fellowship while learning how to make bracelets. Even the youngest "woman" there (about 4 years old) enjoyed making a bracelet with her mother. I led a Bible Devotional "We Are All God's Precious Jewels" based on Malachi 3:16-17. Included during this event was a Worldcraft party supporting artisans around the world who benefit from their partnership with WMU. Worldcrafts is a division of WMU that develops sustainable, fair-trade businesses among impoverished people around the world. Their vision is to offer an income with dignity and the hope of everlasting life to every person on earth. The women were able to purchase some items at the event or they could take a catalog home and purchase items online.

Using Henna to Spread the Gospel

18 women from various churches on Oahu attended the Henna Party on Friday, July 14 held in the home of Lizzy McElrath. Lizzy and her friend, an IMB missionary currently serving in North Africa, shared how they use henna in that region to share their personal testimonies and the gospel. The women were then given the chance to practice using henna to make designs that can be used to witness. One woman at the party wanted the IMB missionary to create a henna design that she could use when she met with her sister the next week to share her testimony. We were also treated to several North African treats and teas.

Pearl City, FBC Women's Tea

I was able to attend the FBC Pearl City tea on Saturday, July 22. Almost 40 women attended this kick-off event for their new women's ministry and missions awareness time. I was one of three speakers at the event that afternoon where we all spoke about how to be more involved in missions, both here and abroad.

Sue Nishikawa Offering for Hawaii Pacific Missions

Most of the summer has been spent preparing materials for the annual Sue Nishikawa Offering for Hawaii Pacific Missions. I am always moved during this time as I learn more about Sue Nishikawa and all she did to promote missions during her life. I am also amazed by the creative ways churches and ministries reach out to their communities. However, I am often distressed by how many churches do not even realize that this offering is for them too. My goal in the coming year is to find new ways to get churches involved in both giving to this offering and receiving from this offering. We are looking at ways to restructure allocations of this offering to ensure that there is always leadership in place to carry on this powerful work. We want to be good stewards of all that God has provided so we appreciate your prayers as we plan for the future in mission work in the Hawaii Pacific arena. We are working on rebranding this offering to reflect that new direction and future.

New Grandson

I am happy to announce the birth of our second grandson, Jackson Lee McCain, born on my birthday, August 8. This healthy boy joins his older brother, Luke, who is 5 and they live in our hometown of Bixby, Oklahoma.

Gateway Women's Network

I signed up to participate in the first year of the Women's Network courses offered at Gateway Seminar. The course is a year-long class that meets online once a month for 10 months. After completing the 10 classes, I will receive a certificate. HPBC offered to reimburse the enrollment fee for 10 of our pastor's wives. Already, five wives and one lay woman have joined me in this women's mentoring adventure!

Beth Moore Simulcast

HPBC Women's Ministry sponsored the Beth Moore Simulcast on Saturday, September 16th at Pali View Baptist Church. About 25 women attended this event.

WMU Council Meeting

We had a very productive WMU Council Meeting on Saturday, October 7th where we began planning diligently for the 2018 WMU Annual Meeting. We are extremely excited about all that is going to transpire in our meetings this year. We will be conducting our annual business meeting here on Oahu on February 3, 2018. Our keynote speaker will be Sandra Wisdom-Martin, the National WMU Executive Director. Also joining us will be Rosalie Hunt, a well-loved WMU author. She will be releasing her new book, *Ann Judson, A Life Beyond Boundaries* at our meeting! In addition, we will be traveling to Maui on Sunday, February 4, with Sandy Wisdom-Martin and Rosalie Hunt to hold a local WMU meeting. From there, Sandy will continue with us to Kauai for a meeting on Monday, February 5. On Saturday, February 10, Gail and I will travel to Waikoloa for a gathering and then on to Hilo on Sunday, February 11. Our goal is to at least double the number of participants who hear about what God is doing in and through WMU, both here and abroad. Please plan to be a part of this week-long celebration!

Note: I will be having surgery on Monday, November 13 and will be out of the office for the rest of November and December. However, I will still be available by phone and email. Please feel free to contact me if there is any way that I can be of service.

BAPTIST COLLEGIATE MINISTRIES

Arjay Gruspe, Director for HPBC Baptist Collegiate Ministries
September to October 2016-17

This was an exciting year for collegiate work in the HPBC. We have Baptist Collegiate Ministries serving primarily on Oahu and the Big Island, but there is great student work happening on our other islands and regions like Maui, Guam, etc.

The following are statistics for our last year of service (Fall 2016-Spring 2017) for all the BCM work on Oahu (BCM Oahu, International Ministries) and Big Island (Hilo BCM):

1. 1500 Collegians impacted in Campus Ministry programs
2. 719 Collegians involved in Campus Ministry programs
3. 24,300 Total of all contributions to student missions
4. 210 Collegians educated about the Cooperative Program
5. 45 Collegians involved in leadership development
6. 7 Conversions of college students
7. 17 Conversions of others
8. 11 Collegians preparing for church-related vocations
9. 38 Churches assisted by campus ministry
10. 71 Number of meaningful church leader contacts
11. 0 Churches with full-time, "college minister only" staff position
12. 2 Churches with full-time "college ministry combination" staff position
13. 52 Collegians involved in evangelism

18. 43 Collegians involved in community ministries/missions
19. 5 Collegians serving in Summer or Semester Missions
20. 40 Students involved in other ministries
21. 19 Collegians serving on short-term mission trips

We had collegiate BCM teams from Texas, Louisiana, Oklahoma and Arizona partner with BCM's here to reach communities.

During the summer, our state BCM students were active in missions and serving around the islands. We had students serve at association youth and keiki camps. We also had BCM students serve at various conferences held by the OBN and HPBC. We also had college students helping with church planting efforts within our convention.

In August we sent a group of 19 college students and leaders to Glorieta, NM for Collegiate Week. This was the last year in Glorieta, and look forward to a new start at Falls Creek, Oklahoma next year.

This school year started off fast with a Back to School Luau at the Hilo BCM, participating at the Warrior Welcome at UH-Manoa, and starting up services on campuses. International Ministries were busy with airport pickups and English classes.

This summer, I had the privilege of speaking at the OBN "Transformed" youth camp at Puu Kahea Conference Center in Waianae, Oahu. It was a camp filled to capacity lead by great youth workers and local leaders. We were all blown away by the revival that took place as many youth, over 20 came to Christ and many more felt called to pursue vocational ministry.

Please continue to pray for the work in our convention to reach college students for God's glory.

HAWAII BAPTIST FOUNDATION

Serving Christian Stewards

Arnold Goto, President

The Lord has allowed the Hawaii Baptist Foundation to serve our HPBC community in three ways:

The Foundation provides funds management services for long-term financial assets held by our churches and institutions.

The Foundation manages endowments that have been created to fund the many important ministries of the HPBC.

Finally, the Foundation helps individuals to plan for their retirement, provide for their heirs, and support important Christian causes.

During this past year, many churches and associations established funds management accounts with the Foundation, including a church on Maui, a church on the Big Island, three churches on Oahu, and the Big Island Baptist Association.

With the investment oversight of our HPBC-appointed board, our funds management services allow churches to receive healthy market returns, and at the same time protect funds from misspending. We are especially grateful to God for these volunteers who help to oversee and protect the investments of the Foundation.

We were blessed with strong financial performance for this past Oct 2016-Sep 2017 annual period. Churches with funds invested (60 equities/40 fixed income) with the Foundation for the period received returns approximating 13%. Through God's provision, during this annual period the Foundation earned over \$2.1M for our churches and institutions.

President's Concluding Remarks:

The financial results would be meaningless if it were not for the important Kingdom-building work for which the funds are raised. We pray for God's continued blessing upon the work that is being done with these funds, and that there be an abundance of fruit and affirmation for our churches, our institutions, and their ministries.

Our Foundation directors share Bible readings together at the end of every full board meeting. I pray that this always be the most important part of our gatherings. We are thankful that we are able to serve together in ways that glorify Him!

Hawaii Baptist Academy
Annual Report to the Hawaii Pacific Baptist Convention
2016-2017 School Year

Opening Remarks:

Hawaii Baptist Academy is delighted and honored for this special opportunity to host the 75th Annual Meeting of the Hawaii Pacific Baptist Convention. We proclaim all glory to God as we join you in this momentous celebration by sharing God's faithfulness through His ministry at HBA.

We are always thankful to the Lord for the dedication and Christian commitment of our former and current faculty, staff, and administrators. During MAC Week, we celebrated the naming of our Elementary School after past President Richard Bento. Two Sisters from The Sacred Hearts Convent who once lived on the property, delighted in joining us for Chapel, the honoring of Mr. Bento and a delicious meal hosted by our parents.

This year the HBA community successfully concluded its accreditation renewal process. The Board of Directors of the Hawaii Association of Independent Schools (HAIS) and the Western Association of Schools and Colleges (WASC) reviewed our visiting team's report and granted HBA a Seven-Year Accreditation Status with a Mid-Cycle Progress Report. We are extremely pleased with the work and participation of our whole community.

As we compile this report, we feel confirmation in our hearts that it is God who brings the parts together and makes everything possible. He gives HBA the fortitude to sustain its mission to share the gospel through Christian education. The achievements of our students in the classroom and community and the number who choose to follow Christ each year are the blessings that refresh and inspire us to be faithful servants and good stewards at HBA.

Elementary, Middle School, High School Principals:

Amy Vorderbruegge, George Honzaki, and Marsha Hirae

Enrollment and Graduation:

The 2016-2017 school year began on August 1 with a total enrollment of 1,017 students in grades K-12. Kindergarten, 4th grade and 6th grade are entry years at the elementary school. Our entry years at the middle and high schools are grades seven and nine.

The Class of 2017 celebrated their achievements at HBA's 64th Commencement Ceremony on June 3 at the Neal S. Blaisdell Concert Hall. The valedictorian was Khristian Vinca and salutatorians were Joshua Joo and April Laxamana. Kylie Aoki was presented with the H.P. and Mary McCormick Distinguished Founders Award for consistently exemplifying Christian character during her years at HBA.

Twenty-seven students were recognized as sons and daughters of HBA, for attending the school from kindergarten through grade twelve.

Claire Mitchell, high school science teacher and senior advisor, delivered the commencement address.

Congratulations to all 113 college bound members of the Class of 2017!

Full Accreditation: Western Association of Schools and Colleges (WASC) / Hawaii Association of Independent Schools (HAIS):

As mentioned earlier in this report, the HBA community successfully concluded its accreditation renewal process. The Board of Directors of the HAIS and WASC reviewed our visiting team's report and granted HBA a Seven-Year Accreditation Status with a Mid-Cycle Progress Report. We are extremely pleased with the work and participation of our faculty, staff, administrators, students, parents, alumni, and supporting community.

Expected School-wide Learning Results (ESLRs):

Believing Jesus Christ to be the Way, the Truth, and the Life, Hawaii Baptist Academy brings faith and learning together so that we may join God in the formation of people and the transformation of the world. The preamble to our new Expected School-wide Learning Results (ESLRs) set the stage for a life steeped in faith and learning.

As part of the accreditation self-study process during the 2015-2016 school year, HBA adopted new Expected School-wide Learning Results (ESLRs) which the school believes will drive positive change on our campuses. The ESLRs are: Humility, Curiosity, Love, and Commitment.

K-12 All-School Fellowship and Picnic:

This year's schoolwide theme was TRANSFORM, based on Revelations 21:5, "Behold, I make all things new." We chose this theme from the preamble to the new ESLRs.

The school experienced Christian community in love and fellowship at its third annual all-school fellowship and chapel on October 25, 2016. More than 650 students from HBA's middle and high school walked down Nuuanu Avenue to meet with their elementary school buddies at the Bates Street campus. The event began with an all-school chapel on the black top. More than 1,000 students, teachers and staff members gathered together to pray and worship God.

Association of Christian Schools International – NEXUS:

Hawaii Baptist Academy hosted its third ACSI Conference on November 21-22, 2016. Over 200 attendees from HBA and other Christian schools on the island enjoyed fellowship together. Speakers & topics included: Jay McTighe and Understanding by Design, Kevin Washburn and Mindset and Biblical Integration from ACSI teachers. In addition, a preschool Skype session with Dr. Suzie Mohler from ACSI was offered. There were over 60 in attendance. Beyond the ACSI content offered, an un-conference was held. There were 25 different topics facilitated by HBA faculty including such things as College admissions, technology, integrating art, student journaling, being peacemakers, grit, Outcomes Based Learning and a plethora of other topics.

Instructional Leadership Team

In an effort to identify high impact instructional strategies that resulted in positive results for student learning, an Instructional Leadership Team of teachers and administrators was established. The Instructional Leadership Team met bi-monthly to research, share experiences and learn from each other. We were able to walk away with a core list of strategies including effective routines, modeling, use of learning targets and building a cohesive classroom atmosphere.

Elementary School:

The school-wide theme Transform saturated our elementary campus during 16-17. Focusing on the social-emotional health of our students, a 6th grade advisory period was added to allow for intentional lessons pertinent to the needs of young adolescents. The first Mom and Me Tea was hosted by our Christian Ministries Coordinator and TAC members opening the door for puberty conversations for families. Our monthly Parent Cafe and Family Christmas Chapel continue to highlight the importance of partnering with families as we find our place in God's story.

The opportunity to participate in both extra-curricular activities and academic competitions transforms our students as they find their passions. Our First Lego League Robotics Team competed in the State Tournament, girls and boys volleyball and basketball continue to be strong programs and our Ho`omana sign language club and Eagle Choir perform in the community to share the love of Christ. Our students placed and were recognized at the State Geography Bee, Continental Math League, Continental Writing League, National Language Arts League and the ACSI Creative Writing competition.

Faculty embraced their own transformative learning in Professional Learning Communities focusing on reading and writing instruction, selecting a new math curriculum and Outcomes Based Learning. An understanding of how today's students learn empowers our Brain Breaks, moments during class to stop and get student bodies moving.

Outcomes Based Learning is a method of assessing and reporting student academic performance so that students, parents, and teachers can clearly see and understand a student's level of mastery of essential subject-area skills and content. This initiative began in school year 2014-15 with a pilot group and has been expanded over the last few years to includes grades 4-8. The focus is placed on learning and achievement of core content. A student's Work Habits, such as completion of assignments, is measured and reported to parents separately.

Middle School:

Our middle school has completed its implementation of the Outcomes Based Learning initiative, which places emphasis on student learning versus grades. The transition has been fairly smooth and students have been able to better articulate what they have learned and identify areas of weakness. Teachers too have experienced change-- with an emphasis on learning, we are encouraging students to work towards demonstration of mastery through retesting. This process is in line with growth mindsets, and our ESLRs, which focuses on Humility, Curiosity, Love, and Commitment.

As a special focus this year, we are emphasizing the building of community at the middle school. The students have developed a Middle School Creed, which embodies the goals we have for each student at our school. We review the creed weekly and provide activities to strengthen our understanding of God's community.

High School:

Student life at the high school continues to be a place of positive engagement and interaction. There are nearly forty student led clubs and campus groups, with more than half the school being involved in at least one organization.

The Student Council put on a series of intramural competitions throughout the year that were very popular and involved several hundred students watching or participating. The Student Council also put on their very first "Sock Hop" in the school gym, which was a fun time for students to dress up and enjoy the 1950's style of music and dancing.

Sixty-six students traveled to explore Japan, learn about a new culture and practice their Japanese

language skills during the fall break while forty eight freshman and sophomores journeyed to the East Coast on a ten day trip to Virginia, Pennsylvania, and New York to learn more about US history and to experience a different slice of the United States.

The senior class trip visited the Big Island, with 110 students participating. For the last several years we had gone to Maui. This was a great change to the itinerary.

For the third year in a row, the news production students won Best-in-State in the Hawaii High School Journalism Awards.

The Mock Trial - Gold Team became the State Champions for the 1st time in HBA history.

HBA welcomed its first certified service dog, Buddy, to be assist a student at HBA with Type I diabetes. Buddy is trained to detect a specific scent in the student's breath when his blood sugar levels are out of the normal range and to alert to check his levels and take insulin if necessary.

Christian Ministries, Middle/High – Robert Lockridge, Director of Christian Ministries

Our God is always faithful. Through the 2016-2017 school year, He has done great things. Through His love, grace and mercy, 195 students either committed or recommitted their lives to Christ this year. As these and other students' faith grow, they naturally want to be obedient and serve their Lord and Savior. Here are some of the ministries we have been involved in this year.

Ministry Team Camp: We held our second Ministry Team Celebration camp this year. Each student that had become a leader in our Ministry Team was invited to go to this time of fellowship and celebration. Students learned how to be more effective ministers of Christ by attending seminars by teachers and pastors.

Ministry Team Small Groups: There were 58 Ministry Team leaders leading 18 different Bible Studies on a weekly basis. Approximately 60 students took part in leading worship throughout the year.

City of Joy: HBA students play a major part in this ministry to the homeless in Waianae and Nanakuli. Eight times this year, over twenty students will sacrifice their Saturday morning to help hundreds of families through food distribution. They also have the opportunity to minister to dozens of children through crafts, face painting and other activities. Our students are always encouraged to pray with the children and their parents.

Partners in Development Joint Ministry: The Ministry Team joined with the Partners in Development (PID) organization to provide Christmas gifts to over eighty children. PID operates mobile preschools and kindergartens for children who are homeless are in transition. The Ministry Team students purchased gifts for each individual child and committed to pray for them throughout the Christmas season.

Christian Emphasis Week: Our theme for CEW 2016-2017 was "Jesus" Pastor Justin White from Harbor Church was our primary speaker. Over fifty guest speakers were in attendance, and more than two hundred students voluntarily attended the evening worship services.

Grade Level Camps: Every student from 8th Grade to 12th Grade had the opportunity to attend a Christ focused grade level camp. Each camp is focused on the needs and personalities of the students within their grade. Dozens of students made a first time commitment or recommittment to follow Jesus as

their Lord and Savior during these camps.

Five of our teachers had an opportunity to give the message in chapel, as well as one student. We also had 12 guest speakers that helped take the students through the book of Luke. We have also prayed for and with numerous student who were experiencing difficulties in their faith or in their relationships.

In short, Praise be to God. He has done great things.

Christian Ministries, Elementary – Cindy Gaskins, Campus Minister

Transformation is always a work in progress. With children there seems to be a delight and wonder about learning new things, especially when it has been a challenge to master a skill. Christian Ministries seeks to support, encourage and nurture transformation through academic life, but also the social, emotional and spiritual life of students, families and our faculty and staff.

Our faculty and staff are the thermostats on our campus so spiritual encouragement is one way Christian Ministries seeks to strengthen our team. Morning prayer times with and for teachers were offered throughout the week. Spiritual enrichment reading through books, blogs, and articles were shared.

Encouraging students in their faith development is a central focus of Christian Ministries. The Christian Ministries Team, CMTs, meet to consider the way of servant leadership. Each week during Chapel, CMTs led the school in memorizing Romans 12:1-2 in a rhythmic style that helped all of us. Other opportunities for leadership with their peers included See You at the Pole prayers in September and the National Day of Prayer in May.

We took a look at “The Wild Side” during the Fall Christian Emphasis Week. Students spent time in both Chapel and daily homeroom time in conversations about how crazy wonderful God’s wild love is for all of us. Dani Beth Crosby, Family and Communications minister at University Ave Baptist Church, led us to consider the adventure of knowing Jesus and what following Him means for every day.

The week ended with our annual Community Day walk into the Nuuanu neighborhood with over 400 of us visiting 8 different locations. Senior adults at Craigsides, Honolulu Care Center, and Malulani Hale enjoyed games, music and cards made by students.

The Rehab Hospital and Kuakini Health Care Home received encouragement banners, wall art and door signs for residents and patients. Lanakila Services received Thanksgiving turkey notes for Wheels on Meals while other students learned from Ho’opono Services for the Blind. The whole school contributed canned goods and 6th and 3rd graders help stock them in the Olivet Baptist Church Food Pantry. Our neighbors like Kuakini Health Care, Rehab Hospital of the Pacific published stories to their audiences about our visits to their facilities.

During CEW, 2-6th grade homeroom teachers gave students a personal opportunity to make a choice to trust Jesus as Savior and Lord. 42 first time commitments were made to become a Christ Follower. 30 stated they have questions about what it means to follow Jesus.

Grow Groups were offered during lunch to these new believers and those with questions about faith in Jesus. Personal Bibles and journals were given to these students. The most consistent students to continue in discipleship Grow Groups were 3rd and 4th graders.

During MAC Week, we celebrated the naming of our Elementary School after past President

Richard Bento. Two Sisters from The Sacred Hearts Convent who once lived on the property, delighted in joining us for Chapel, the honoring of Mr. Bento and the delicious meal. Student Ambassadors and CMTs helped paint the next set of stained glass windows telling part of God's Story in our Five Act Play. One day highlights of God's Story will be on display through our Chapel Windows.

Two firsts in the 2016-17 year were our Family Christmas and Family Easter Chapels. Families were invited to come worship with their students in either the K-3 Chapel or the 4-6 Chapel. Several parents stayed for both Chapel times to be with their individual children. We were able to provide The Case for Christmas by Lee Strobel to the over 200 family members who attended the Christmas Chapel. Almost 600 Olive Wood hand-sized crosses were given to students and families at Easter.

What a gift to be able to share the love of Christ in tangible ways to our students and their families. God's work in us and through us is still transforming us.

IHS Athletics – Deren Oshiro, Athletic Director

God has graciously continued to shower HBA with blessings in the form of students eager to participate, parents willing to support, and coaches dedicated to teaching and encouraging! The 2016-2017 school year was another example of God's provision for us at HBA.

Close to 70% of HBA students enrolled in grades 7-12 participated in 19 various interscholastic sports. About 40% of these students participated in multiple sports! Our teams and athletes once again acquitted themselves very well. The girls varsity volleyball team, girls intermediate basketball team, girls varsity tennis team, boys varsity bowling team, boys junior varsity bowling team, girls junior varsity volleyball team, and boys varsity volleyball team all won Interscholastic League of Honolulu Division II Championships!

The HBA boys varsity volleyball team also won their seventh straight HHSAA state championship! This was HBA's ninth Division II boys volleyball state title in the past ten years. Junior Michael Johnson was named Most Outstanding Player for the volleyball state tournament.

The HBA cross country program continued to have tremendous participation as close to 110 boys and girls in grades 7-12 competed in the sport. The HBA girls varsity cross country team finished as Division II state runner-up. Over 80 boys and girls in grades 7-12 participated in the sixth year track and field program.

Individually, we had several athletes make their marks at the ILH and State levels...

- Ally Wada (HBA '18) was named the ILH Player of the Year for Division II in girls volleyball
- Madison Moku (HBA '18) won ILH track and field titles in the 100m Dash and 100m high hurdles, and won her first HHSAA state title in the 300m hurdles
- Keiko Ann Sanders (HBA '17) won the ILH judo title in the 115 lb. weight class
- Lincoln Mussell (HBA '17) won the ILH wrestling title in the 182 lb. weight class.

The following is a list of the varsity performers who were recognized by league coaches as ILH first-team all-stars: Michael Johnson (volleyball, HBA '18), Kellen Takatsuka (volleyball, HBA '17), Dru Pang (volleyball, HBA '18), Ally Wada (volleyball & basketball, HBA '18), Kallie Langford (volleyball, HBA '18), Kailey Young (volleyball, HBA '17), Keri Lum (volleyball, HBA '17), Kaitlyn Matsushima (bowling, HBA '17), Dylan Tsuruda (bowling, HBA '17), Joshua Joo (bowling, HBA '17), Micah Mitchell (basketball, HBA '18), Alexa Yoo (air riflery & precision riflery, HBA '17), Evan Ebesu (air riflery & precision riflery, HBA '17), Nick Kimata (air riflery, HBA '17), Brandon Miyasato (baseball, HBA '17), Judithanne Young (canoe paddling, HBA '17), Auahi Aiu (CP-mixed crew, HBA

'17), Mackenzie Cammack (CP-mixed crew, HBA '17), Keiko Ann Sanders (judo, HBA '17), and Lincoln Mussell (wrestling, HBA '17).

At the Varsity Athletic Awards Banquet held at the Manoa Grand Ballroom (Japanese Cultural Center) on May 20, 2017, there were several athletes honored.

The outstanding male and female athletes were Kellen Takatsuka (volleyball, basketball), Ally Wada (volleyball, basketball), and Madison Moku (track & field).

Four athletes were honored with the Eagle Award for lettering in 3 varsity sports. These students were Keiko Ann Sander (cross country, wrestling, judo), Payton Lee (football, basketball, track & field), Peyton Oshiro (cross country, basketball, track & field), and Kaimilani Duncklee (volleyball, basketball, water polo).

The Robert Fulford Male and Female Scholar-Athletes were Joshua Joo (bowling) and April Laxamana (cross country).

Seniors Evan Ebesu (air riflery, precision riflery) and Kyara Bunch (cross country, track & field) were honored as recipients of the Ken and Rosemond Street Male and Female Sportsmanship Awards. These sportsmanship awards are given in honor of longtime Mainland Advisory Council members Ken and Rosemond Street who were faithful supporters of the Hawaii Baptist Academy and her athletic program.

Athletics certainly is one of the largest and most visible programs at HBA. We will continue to strive for excellence while maintaining a healthy perspective on athletic competition. Our goal is to somehow have an eternal impact on others through our Christian witness. Thank you for your support and prayers toward this end.

Institutional Advancement – Ron Shiira

During 2016-17, Hawaii Baptist Academy received from its community of supporters approximately \$755,000 in gifts. Of that fiscal year total, 80% was designated for our high school expansion project, and 20% for endowments, financial aid, scholarships and other funds. Donations to the school were divided between our mainland and Hawaii donors.

In February, the Mainland Advisory Council held their 42nd annual meeting at the Hale Koa Hotel. Pastor Shane Segars, Minister of Leadership at Centerpointe Church in Montgomery, Alabama, was the guest devotional speaker. He inspired and challenged our participants to be relevant and to engage with students, families, and the entire HBA Community with the Gospel of Jesus Christ. Pastor Segar was invited to share with us by long time MAC member and past chair, John Stanford of Seal Beach, South Carolina. The Mainland Advisory Council received four new members at its 42th annual meeting.

The Aloha Council (TAC) continues to actively contribute to HBA's legacy by strengthening and its membership. Its 2016-17 officers were Lorna Hu, chair; Maurine King, vice chair; and Gloria Willaford, secretary. TAC is the local counterpart to the Mainland Advisory Council (MAC) whose purpose is to prayerfully and financially support HBA.

HBA's Alumni Association continues to grow and is a vital supporter of the school. Its 2016-17 officers were Shawn Saito '12, president; Leighton Hara '95 past president; Taryn Bohan '10, vice president; Kathy Morimoto '86, secretary; and Matthew Evans '00, treasurer. Besides sponsoring

educational and networking events that bring alumni together and support the mission of HBA, the association's desire is to contribute and grow its newly established endowment to provide scholarships to financially need worthy HBA students of alumni. HBA has 4,395 alumni from 64 graduating classes.

God has truly blessed HBA over the past 68 years. The school's remarkable development is a tribute to the dedication of its faculty and staff, and to the faithfulness and support of our mission-minded friends and churches on the mainland, and here in Hawaii, who have answered God's call to support His vision for HBA.

Our Lord has blessed Hawaii Baptist Academy with faithful and generous supporters. As of June 2017, HBA has raised about 94% of its \$17 million Capital Campaign goal in gifts, pledges and designated funds. We praise God for the overwhelming support from individuals, churches and organizations here in Hawaii and on the mainland. Thank you for your continued support as we trust God to meet the financial needs of our school, and during this season, move our focus in meeting the needs of our students and families from buildings to tuition aid.

HBA's greatest need for our 2017-2018 school year will be to raise \$1,000,000 for Financial Aid. Although HBA has exponentially grown its Financial Aid Budget from \$150,000 to \$1,100,000 over the past 10 years, we only meet an average of slightly more than 40% of a family's need to cover tuition costs. This is far lower than other premier schools in Hawaii. Several schools are able meet 100% of a family's tuition need.

HBA's goal is to grow its budget to meet 50% of need for families that qualify for financial aid. This is important to allow HBA to provide an excellent Christian Education and make it available to all qualified students and their families, who desire to be at our school. Thank you for your continued support and prayers as we seek to raise the necessary funds to meet our goal.

Concluding Remarks:

We ask that you prayerfully consider how you can continue to support HBA and our mission to provide families with the opportunity for a quality Christian education for their children. We deeply appreciate and thank the churches of the Hawaii Pacific Baptist Convention for your life long encouragement and partnership with HBA in equipping our students for lives of service to others and to God – a school started by our early missionaries and sustained by our Hawaii Baptist Ohana.

In Christ,

Ron Shiira
HBA President

Our Context: *Hawaii Baptist Academy Guiding Statements*

Mission Statement

Hawaii Baptist Academy is a Christian college preparatory school that equips students spiritually, intellectually, physically, socially, and emotionally so that they bring honor to God. (Mission 1998, revised in 2001)

Statement of Philosophy

It is the philosophy of HBA to provide academic excellence in a Christian context. We believe that the most effective citizen needs a well-trained mind; that the best education includes spiritual and moral values as well as intellectual, physical and aesthetic; and that the best spiritual and moral teachings are those of Jesus. (Statement of Philosophy - traced back to the 1970s under president emeritus Col. Stan Sagert)

Definition of Academic Excellence in a Christian Context

Academic excellence at HBA is the result of a deliberate process that equips learners with skills and a thirst for knowledge so that they can think critically, live reflectively, pursue truth, and develop a living faith as they use their unique God-given gifts and live with integrity to help others and bring glory to God. (Definition of "academic excellence in a Christian context" 2008)

Statement of Core Values (2008)

We believe the Bible is the inerrant Word of God ultimately fulfilled through His Son, Jesus Christ. Our desire is that all may come to know and respond to Him through the Spirit of God and proclamation of His Word.

As a school, we value excellence in:

- **Teaching.** We believe that our academic community stands and falls on the quality of its teachers. We are committed to hiring and nurturing quality teachers who love God, their students, and their subject area. Our example of excellence in teaching is Jesus, who effectively taught truths in a life-changing way.
- **Learning.** We believe that God's truth is found in Scripture. We are committed to providing our students with a serious learning community that encourages genuine inquiry into the nature and truths of God, His Word, and His world with the hopeful outcome of a transformed life.
- **Leading.** We believe that effective learning involves training students to be effective leaders. We are committed to equipping our students with the insights and skills necessary to produce leaders who will engage the world with strength of character, sincerity of heart, and enthusiasm to spread the Gospel.
- **Serving.** We believe that all of the learning and leading in the world are for naught without the transformation that comes through the call to love God and our neighbors as ourselves. We are committed to meeting the physical and spiritual needs of those in our academic community, church communities, and others in the world around us.

Expected Schoolwide Learning Results (12-2015)

The Expected Schoolwide Learning Results [ESLRs] for each student summarizes the goals of the institution.

Believing Jesus Christ to be the Way, the Truth, and the Life, Hawaii Baptist Academy brings faith and learning together so that we may join God in the formation of people and the transformation of the world.

We do this by cultivating these four sensibilities:

Humility

is our response to God, and the beginning of understanding. In awe and with gratitude, we recognize that we are born into God's creation, which is vast, and into God's story, which is already in progress.

We cultivate humility by acknowledging the goodness of God and the reality of sin, by taking time to be contemplative, by being open to change, and by knowing that there is and will always be more to learn.

Curiosity

is our response to what God has created. With an attitude of wonder, we explore God's truth through His Word and through His creation.

We cultivate curiosity by asking questions, by seeking opportunities to learn, by trying new things, and by persevering in our quest for answers.

Love

is our response to all people in light of God's love for us. With grace, we live, learn, and play together in community, realizing that God designed us to be mutually dependent.

We cultivate love in community by striving for peace, by eliciting and sharing ideas, by constructively expressing and resolving disagreements, by respecting differences and loving all people, and by asking for and offering forgiveness.

Commitment

is our response to God's plan of restoration. With conviction, we endeavor to carry out God's purpose by telling His story as we work toward the common good.

We express our commitment by speaking truth and taking responsibility, by caring for God's creation, and by using our talents and resources to work toward the good of humanity.

GUIDELINES FOR MESSENGERS

Every year, more than 100,000 Southern Baptists are elected messengers or alternates to their state or associational annual meeting. Many of them do not know what to do. This guide intends to help all concerned.

HERE ARE SOME IDEAS FOR: THE LOCAL CHURCH

The whole congregation has responsibility toward churches of like faith and order. Churches created by the love of God and in the harmony of faith ought to watch over one another with brotherly affection and encourage one another to do good works. It behooves the church not to leave communication with sister churches as last minute leftovers. Respect for the household of faith demands more than that.

Most Southern Baptist missionary and benevolent work is accomplished through the church and association. Doctrinal unity and evangelistic concern have been nurtured there. The quality of work done by churches is fellowship on mission in their setting relies heavily on the best in mind and spirit that the local church can send.

Messengers to the annual meeting should be selected with prayerful concern by church. Here are specific recommendations.

1. Ask the church nominating committee to include the position of messengers and alternates in its annual report. Elect these messengers along with other church officers. Communication with neighboring churches deserves that consideration.
2. Elect messengers to serve an entire year for semi-annual and called, as well as annual meetings. Such advance election also allows messengers time to prepare mind and spirit.
3. Elect the most capable church leaders because the association or state convention deserves the best.
4. Let the messengers represent the entire congregation by selecting men, women and youth from various church organizations.
5. Be sure associational/state executive board members are also elected messengers to the annual meeting.
6. Be sure to elect the number of messengers to which your church is entitled by the constitution of the state convention.
7. Provide each messenger with a copy of these guidelines.
8. Be sure the messengers have copies of the minutes, constitution and available advance reports.
9. Support the office of messengers by bringing the messengers before the congregation for dedicatory prayer by the pastor on Sunday before the associational/state meeting.
10. Provide time in one or more regularly scheduled church services for the messengers to report on the results of the meeting.

HERE ARE SUGGESTIONS FOR: THE MESSENGER

The office messenger originates with the New Testament. Representatives of the Corinth church communicated their gift to Jerusalem. In I Corinthians 16:3, Paul says, "I will send those whom you accredit by letter to carry your gift to Jerusalem." Paul speaks of messengers to Corinth in II Corinthians 8:23, "and as for our brethren, they are messengers of the churches to the glory of God."

The messengers report to the association/state on behalf of his church. He should share with the other messengers a report on his congregation's welfare. Even though he is a representative, the messenger is a free agent. His main purpose is to prayerfully determine the thing God wants his association/state to do or to be, and vote accordingly. In business sessions, he speaks and votes his own conscience, not, necessarily the sentiments of his church. The church is never bound by the vote of its messengers.

PREPARATION

1. Be familiar with the human needs of your community and the strategy your association/state use to meet those needs.
2. Study the constitution and bylaws. These documents, usually placed in the minutes, explain the structure and function of the organization. Special attention should be given to statement of purpose.
3. Review the minutes of the last annual meeting to help prepare for the coming meeting. The minutes record any unfinished business the association/state must handle.
4. Review any advance organizational reports of the association/state. Review also your own church letter or report.
5. Review the principles of parliamentary procedure.
6. Pray that the meetings may be used of our Lord to accomplish his good will, and that you may conduct yourself as a messenger representing a church or our Lord Jesus Christ.

PARTICIATION

1. Upon your arrival at the annual meeting, register immediately with the credentials committee as an authorized messenger.
2. Arrange your schedule so that you can attend the sessions of the annual meeting - all the sessions. An absent messenger is not an asset to the meeting.
3. Exercise your best judgment in the business sessions. Evaluate the reports on budget, calendar, organization's recommendations and resolutions before voting.
4. Decide your vote after hearing the discussion. Do not come to the meeting with a closed mind.
5. Take notes on the sermons and addresses so that you may share their best insights with your home church.
6. Be a responsible participant in the meeting. Remember that this is the Lord's work, too.
