

Sue Nishikawa 2025 Prayer Guide

Day 1 - Sunday, September 7

Hawaii Pacific Baptists Contending Together

Philippians 1:27 calls us—as citizens of heaven—to live unified in spirit and purpose, contending together for the faith of the gospel. Let's pray this week for unity across HPBC, generous hearts, God's blessing on ministries, and hearts stirred by stories.

Day 2 - Monday, September 8

Churches Finding New Life

Once near closure, Malama Christian Fellowship now thrives under Pastor Eddie and Faleiva Hunt. Their journey shows the power of unity in revitalizing churches. Pray for their leadership, struggling churches, pastoral wisdom, and resources to impact communities across HPBC.

Day 3 - Tuesday, September 9

Strengthening Pastors and Wives

Pastoral ministry in island and Pacific contexts brings unique challenges. By supporting pastors and their families through care, education, and rest, we strengthen the church and Gospel impact. Pray for their health, marriages, encouragement, and needed resources across HPBC.

Day 4 - Wednesday, September 10

Collegiate and International Student Ministries

University of Hawaii campuses unite students from Hawaii, the Pacific, and Asia. Baptist Collegiate Ministries help them encounter Christ and grow as disciples. Pray for student salvation, BCM leaders, international community, and future pastors and missionaries to rise from these ministries.

Day 5 - Thursday, September 11

Planting Churches in Military Communities

Craig and Maggie Coppenbarger are planting Valor Church at Pearl Harbor/Hickam, drawing on years of military and ministry experience. They're building a church to serve military families' spiritual needs. Pray for their launch, military families, and future church planting efforts.

Day 6 - Friday, September 12

Helping Our Churches Get Healthier

Healthy churches require intentional effort. HPBC equips leaders to assess church health and pursue God's vision. As churches grow stronger, they better reach and serve their communities. Pray for courageous leaders, wise changes, supportive HPBC staff, and renewed, vibrant congregations.

Day 7 - Saturday, September 13

Training and Equipping Church Leaders

Strong churches need equipped leaders. Sue Nishikawa Offering scholarships support theological education, and efforts are underway to establish a seminary campus in Hawaii. Pray for students, scholarship impact, seminary partnerships, and for God to raise up leaders across the Pacific region.

Day 8 - Sunday, September 14

A Focus on Global Missions

The Great Commission calls us worldwide. HPBC and Woman's Missionary Union foster global missions through education, prayer, and giving, leveraging Hawaii's Pacific location. Pray for missionaries, unreached groups, strong church involvement, and God's use of Hawaii for international ministry.
