

HPBC Scholarship Request Form

Sue Nishikawa Offering for Hawaii Pacific Missions

The Sue Nishikawa Offering for Hawaii Pacific Missions helps provide resources for our congregations and ministries. One of these resources is the scholarship program that helps members of HPBC churches attend HPBC sponsored camps and retreats. Hawaii Pacific WMU approves the scholarships, which are granted as funds are available. Prayerfully, this scholarship, along with personal and church support, will help Baptists to grow to an active missional lifestyle.

A church may request up to 5 scholarships at \$100 per participant for neighbor island participants for airfare or up to one-third the camp fee for campers on the same island as the camp. Preference for the scholarships should be given to first-time attenders. Scholarship checks are sent to congregations on a reimbursement basis only, provided all conditions are met. Maximum scholarship amount per church is \$500 for neighbor islanders and \$200 for campers on the same island as the camp.

Please be certain that your church treasurer is informed of this application and reimbursement process.

Application Procedure:

1. Send a completed copy of the request form.
2. Send a copy of the airline receipt with applicant's name.
3. Reimbursement will be made following event ONLY for those attended. Checks will generally be mailed within 30 days of receipt of the required items. For campers on the same island as the camp, the scholarship will be deducted from the total cost for the camp.
4. We would appreciate hearing how these scholarships and events made a difference in the participants' lives. Some suggestions on how to communicate this are below.
 - sending 2-3 photos with captions
 - a short report from at least one attendee telling of the camp/retreat and its impact on the attendees and/or congregation back home.
 - notes from participants on the greatest lesson or experience they had at the camp/retreat.
 - a personal thank-you note to the WMU Allocations Committee

You may submit photos and writings in electronic form to Teresa at teresa@hpbaptist.net. Photos and articles may be used in HPBC publications and websites. Please indicate if the author would prefer to be anonymous.

Your participation will also depend on future requests so please help in completing the above procedures.
