Building the Kingdom

Who Are We? (part 1)

I pray that this edition of the Pacific Connector found you well and blessed, pursuing the will of our Father.

For upcoming editions of The Pacific Connector, I plan to use this article to highlight elements of the Hawaii Pacific Baptist Convention that you may not be aware of. These topics will come from questions I regularly hear from pastors and leaders. I pray that this series of articles can help you know more about the amazing opportunities available to you and your ministry.

One of the most common questions is in regards to our identity as one of the 41 SBC state conventions. According to the purpose statement found in our Constitution, the Hawaii Pacific Baptist Convention exists to provide organization for cooperative gospel ministries and help each other facilitate Jesus' Kingdom across our churches' network. The structure is called a convention, but it functions as a system of like-minded, gospel-centered churches making Jesus' disciples from every nation, tribe, people, and language.

Within the Hawaii Pacific Baptist Convention, churches engage ministries of every form. Ethnically diverse and geographically positioned, each Hawaii Pacific Baptist church holds incredible potential for increased effectiveness

through partnering together. One church may struggle to reach its community, while another church has overcome the challenge and hopes to share with others. As some churches are searching for new ideas of engagement, others want to share the methods that God has allowed them to develop. Every ministry demand finds support through an effective means of connectivity and communication, like the Hawaii Pacific Baptist Convention.

Our extended partnerships across the Southern Baptist Convention allow you access to incredible resources for your church. For example, you have access to top-rated theological training at a discount, and you can serve alongside international and domestic missionaries to reach the lost globally. Furthermore, you can financially support on-going efforts to share the gospel in challenging environments like human trafficking, refugee outreach, natural disasters, and more. The possibilities are limitless!

The purpose of being together is to help each other accomplish more than any individual church could do alone. You have access to every possible ministry opportunity on earth. We can do everything that God brings to us, and we can accomplish it together. Our identity as the Hawaii Pacific Baptist Convention is to be the most effective

Kingdom network possible, reaching the world with the gospel and making disciples of all nations, especially in the Pacific and Asia.

In the next edition, we will address your HPBC staff team's role and how we can assist you. Continue to pray and strive for ways to serve God in obedience together. As always, your HPBC staff team is ready to provide for you in any way that we can to advance and support your ministry. If we can serve you, please call us at (808) 946-9581 or email us at info@hpbaptist.net.

HPBC WMU Annual Meeting 5

18,000 Letters

10 Hawaii Women's Missionary Union (WMU) Members Join National WMU in Hand Writing Letters

by Gail Gierhart

If you thought handwriting letters was gradually being replaced by email and printed correspondence, you might be surprised that WMU leaders across our nation handwrote 18,000 letters in the month before Christmas. These were not Christmas cards, but letters to Southern Baptist churches who are not giving through the Lottie Moon Christmas Offering.

The national WMU set a goal of helping the International Mission Board (IMB) raise \$175 million for the 2020 Lottie Moon Christmas Offering in honor of IMB's 175th anniversary. Sandy Wisdom-Martin, Executive Director of the national WMU, was shocked to hear that almost half of our Southern Baptist churches do not give to the Lottie Moon Christmas Offering. She recalled that Annie Armstrong wrote 17,000 letters herself in one year for the support of missions. Sandy decided she herself could handwrite 175 letters in honor of IMB's birthday and find others who would also handwrite notes.

Ten Hawaii WMU leaders took on Sandy's passion for this project, and joined the effort to handwrite and encourage 216 churches in Hawaii, Nevada, Puerto Rico and the Virgin Islands to participate in the Lottie

Moon Christmas Offering. Some letters were even written in Spanish to many of the Hispanic churches.

Even with their busy schedules (including some home school mothers), our WMU leaders were blessed to write and pray for a cause they believe in—missions through the Lottie Moon Christmas Offering.

Gail Gierhart is Hawaii WMU president and former IMB Missionary to Japan and Australia. Her husband, Bob, is pastor of Nu'uuanu Baptist on Oahu.

Paul Chitwood, president of International Mission Board (IMB), discusses the Lottie Moon Christmas Offering with Sandy Wisdom-Martin, Executive Director of the national WMU

Student Finds Way to Promote Lottie Moon Christmas Offering®

Eden Hale, Eleele church member and daughter of Pastor Larry and Lisa Hale, found a creative way to promote generosity for this year's Lottie Moon Christmas Offering® for International Missions. She created a display to represent our East Asian Peoples Affinity missionaries and other aspects of the global missions task. When the goal was reached, the lights around the board were turned on. Eleele members gave \$4,176 which surpassed their \$3,278 goal!

Guam Church has "CHRISTmas at Ministry St."

According to Pastor Pancho Madrid, "while GCLF is the acronym for Guam Christian Life Fellowship, it also stands for 'Gospel-Centered, Love-Focused.' Our mission is to be effective witnesses in our own "Jerusalem" first. As a congregation, we thank God for every opportunity to share the Gospel and show Christ's love in a tangible way. Samaritan's Purse Operation Christmas Child is one of those ways. What a joy to share gifts from Samaritan's Purse with children in our neighborhood around our campus on Ministry Street."

"We love because Jesus first loved us." 1 John 4:19

Amber Irving Launches thestronghome.com to Strengthen Families

Amber Irving's love for teaching women and kids of all ages about God's amazing plan as revealed in His Word gave birth to thestronghome.com. She recently released her first Bible study called, "Yes, Lord: Overcoming Trials by Giving Up Control", which is available on thestronghome.com.

Amber loves her current role as pastor's wife at University Avenue Baptist Church on Oahu where her husband Chris is senior pastor. She and Chris have been married since 2000 and have six crazy kids, Matt, Jake, Karalyn, Katie, Kylie, and Ben, and three more on the way through adoption! Together, they are building their own strong home!

Whether you're married, single, childless, empty-nesting, or living with a house full of kids, strengthening your home through the truth of God's Word has never been more important!

Olivet Baptist Serves Community Around Them

According to Olivet Baptist's Senior Pastor, Jamie McElrath, Olivet has deep roots in our community and we have conviction that "God intends for us to be a tangible expression of His mercy and compassion right where He has planted and nurtured us."

"Each month, and often more than once a month during this past year, volunteers gather to prepare packages of food that we distribute to all in need. We are grateful that God allows us to play a part in healing some of the hurts of life (hunger) but even more so as He gives us opportunities to listen to the stories of those who come, to encourage them, to pray with them and to share the Good News that there is hope and new life for them through faith in Jesus."

ANNIE ARMSTRONG EASTER OFFERING®

FOR NORTH AMERICAN MISSIONS

Sunday, March 7 – Sunday, March 14, 2021

The week of prayer is Sunday, March 7 through Sunday, March 14, 2021 (Your church could choose this date or another time during the Easter season to participate).

In partnership with you, the North American Mission Board (NAMB) is able to send your missionaries to the United States, Canada, and the U.S. territories of Puerto Rico, Virgin Islands, Guam, and American Samoa. This region contains diverse ethnic groups, languages, and religions.

100% of what you give helps sustain missionaries on the field, equip missionaries to serve, provide tools to share the gospel, mobilize churches to plant churches and mobilize church planters, other missionaries, and provide compassion ministries.

275 million people in North America do not have a relationship with Jesus Christ.

More than 5,000 missionaries and 3,000 chaplains serve through NAMB.

The mission moves forward

"Therefore, my dear brothers and sisters, be steadfast, immovable, always excelling in the Lord's work, because you know that your labor in the Lord is not in vain."

Spotlight on Asia

□ East Asia People's Prayer and Intercession Via Zoom

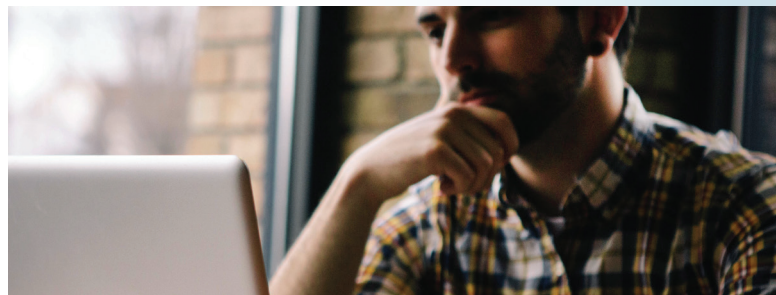

The IMB East Asia People's Affinity Group is partnering with the HPBC to host **1-HOUR TIMES OF PRAYER** on the 2nd Tuesday of the month at 8:00 p.m. Hawaii Time during **March, April, and May**. IMB Missionaries from each of the four East Asia clusters will be present to share prayer concerns, then Hawaii Pacific Baptists and these missionaries will go to breakout rooms to pray together for these concerns.

This is open to any Hawaii Pacific Baptist pastor, staff, missions leader, or anyone with a heart to pray for global missions. For more information on how to participate, contact Dr. Brian Smart, HPBC Assistant Executive Director / Advance at brian@hpbaptist.net.

□ Korean Language Virtual Missions Event Coming May 13, 2021

The East Asian People's Affinity Group is planning an event in the Korean language on May 13 for the nearly 850 Korean Southern Baptist Churches across the United States. Participants will hear from our Korean American missionaries from all around East Asia. This event will be held via Zoom. More information will be coming soon.

□ How to Pray for Displaced and Re-assigned IMB Missionaries

During 2020 many of our IMB missionaries were displaced from their countries due to Covid-19 and other reasons. Most of these families have been re-assigned to new IMB cross-cultural missions assignments. Here are some ways you can pray for them:

- After a very emotional year with much loss and uncertainty, "new" can be exhausting. Ask God to give your IMB missionaries **refreshed hearts**.
- Pray for your IMB missionaries who will have to learn a **new language**.
- Pray for **IMB kids** (called Third Culture Kids—TCKs) who will enroll in new schools.
- Pray for both parents and children who will need to **make new friends and learn new ways** of doing things in their new countries.

LEADERSHIP DEVELOPMENT

Pastors Gather Virtually for Pastor's Forum

Throughout much of 2020, pastors and leaders gathered on Wednesdays at noon Hawaii time for encouragement, challenge, and collaboration. This February, we launched the Pastor's Forum for Hawaii Pacific Baptist Pastors. This virtual gathering meets on the 2nd and 4th Wednesdays at noon Hawaii time (11 am in Samoa; Thursdays at 5 am in Bangkok, 6 am in Manila, 7 am in Japan and South Korea, and 8 am in Guam). These gatherings are planned for February through May.

The focus for February and March is around the theme of discipleship and disciple-making. Our first guest on Feb. 10 was Michael Kelley, Senior Vice President of Church Ministries for LifeWay Christian Resources. Michael helped pastors examine how we can use this season to redefine discipleship.

On February 24, our next guest was Ken Braddy, LifeWay's Director of Sunday School and manager of LifeWay's training for adult Bible study groups. Ken challenged pastors about discipleship through small groups and how we measure small groups' success.

This particular forum is for Hawaii Pacific Baptist senior/lead pastors. **We will offer other forums for associate pastors and other church leaders later this year.** E-mail Craig Webb at craig@hpbaptist.net to learn how to participate.

LEADERSHIP DEVELOPMENT

Bible Institute of Leeward/Oahu (BILO) Launches with 11 Students

Pastor Elise Tafao has built a reputation for raising up and deploying pastors and church leaders. He established this standing in his over 20 years as pastor of Happy Valley Baptist church in American Samoa where he established a "pastor's school" using the Bible Training Curriculum for Pastors (BRCO). BTCP training uses a biblical, systematic, portable, and comprehensive approach to providing the foundational equivalent of a good Bible college education. The training consists of 520 hours of interactive classroom lecture and discussion under the supervision of a qualified teacher, taking about 2 years to complete.

In February 2021, Pastor Elise launched that same training on the leeward side of Oahu with 11 students. It's called the **Bible Institute of Leeward/Oahu (BILO)**. Tafao says that the goal of the institute is to equip local leadership in doing church and Kingdom work. Pastor Elise serves as Interim Pastor at First Baptist, Nanakuli. The institute is a ministry of FBC Nanakuli.

LEADERSHIP DEVELOPMENT

Pastors Use Ministry Grid Online Training for Leadership Development

MINISTRY GRID is a subscription-based online leadership training platform to equip church members in multiple areas. It includes 850+ pre-built training courses and also allows you to customize your own online training. Several Hawaii Pacific Baptist Churches have been using Ministry Grid for a variety of needs.

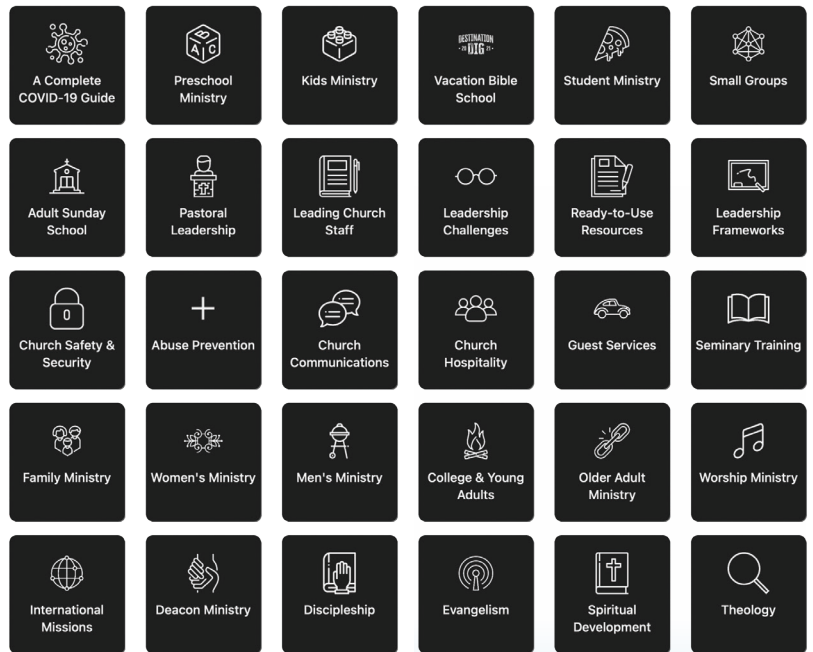

PANCHO MADRID, the pastor of Guam Christian Life Fellowship (GCLF), is currently taking the church's leadership through "7 Success Killers in Leadership" featuring Carey Nieuwhof using Ministry Grid. Pancho said, "I started using the tool as training for me personally when I first started the role as a pastor of GCLF. At the time, my only training was the experience of serving 10 years as an elder at another church. When I began, I had so many questions about the 'how to's' of ministry and Craig Webb, from the HPBC staff team, enrolled me and assigned me training on the Ministry Grid platform. **The self-paced method has worked well for me as a bi-vocational pastor.**"

BRIAN FRABLE, pastor of Kona Baptist on Hawaii Island said, **"We use Ministry Grid to train and equip our ministry associates and ministry leadership.** I plan out sessions based upon the training I think each person needs. I assign lessons for each person and follow through by watching the sessions with them and/or having follow-up discussions based on what they learned. Ministry Grid enables me to customize my leadership development for all my ministry staff and allows me to be more efficient and organized with personal discipleship. It serves as a great start for discussion during training sessions for church staff and allows me to track each person's progress."

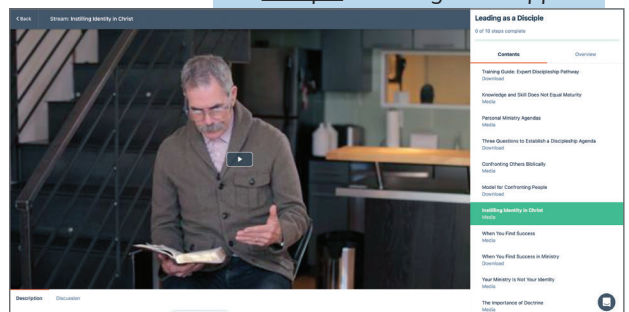

LifeWay's CHANDLER VANNOY says, "Over the past year, we have seen churches using Ministry Grid not only for training but discipleship and overall spiritual development in their church as well. **One of the most utilized resources is discipleship training featuring Paul Tripp.** These discipleship pathways can be used to help church members to grow in their own walk with the Lord."

Vannoy also reported, "We also have churches adding their own content and turn their new members' classes, growth track, and other 'classes' into digital courses using the Ministry Grid platform."

E-mail Craig Webb, craig@hpbaptist.net, to learn about special pricing for Hawaii Pacific Baptists as well as possible 1-year gift subscriptions for churches.
