**Hawaii Pacific  
Baptist Convention**

## Funds Request Instructions

The purpose of the Sue Nishikawa Offering for Hawaii Pacific Missions is to promote evangelism and outreach, encourage new work, establish missions, strengthen churches, and support ongoing missions. The offering is to promote a spirit of Ohana through awareness of missions needs and the sharing of the results of those programs and institutions that have received funding. The funds from this offering also provide financial assistance to education institutions affiliated or partnering with the Hawaii Pacific Baptist Convention or for leadership development courses for certification or credit.

The Woman's Missionary Union (WMU) Allocations Committee will prayerfully consider each request and submit their recommendation to the HPBC Executive Director for approval.
